Dear Primary Care Physician:

I have recently evaluated the above mutual patient for their orthopaedic condition. After meeting with them and reviewing their medical situation, it has been determined that a surgical procedure is needed.

Please be informed that the patient is seeing you today because they are required to have a preoperative history and physical evaluation. I thank you in advance for accommodating them and ask that you please notify me as soon as possible should your examination yield any pertinent abnormalities or contraindications to surgery.

I will keep you informed of this patient's progress and plan of care. Please contact our office at (513) 354-3700 should you have any issues or concerns with regard to this patient.

Please Note: If your patient is over the age of 50, or has a cardiac history, an EKG is required within 90 days for surgical clearance.

Please fax the completed H&P Form and all related diagnostics to:

Beacon Surgery Center at: 513-823-2887 (Summit/West) | 513-854-9916 (Evendale)

Thank you!

Michael Planalp, M.D.
